    WELCOME to implementation of QUEUE using array !!
Enter the size of Queue (Maximum size = 100): 5

Queue Operation available:
    1.Insert        2.Delete        3.Display        4.Exit

Enter your choice: 1
Enter the element to insert: 25

Queue Operation available:
    1.Insert        2.Delete        3.Display        4.Exit

Enter your choice: 3
The elements in the Queue are:
25  0  0  0  0

Queue Operation available:
    1.Insert        2.Delete        3.Display        4.Exit

Enter your choice: 2
The deleted element is: 25

Queue Operation available:
    1.Insert        2.Delete        3.Display        4.Exit

Enter your choice: █
```
